## **Death Investigation – Update #3**

***Palm Beach Gardens, Florida*** – The Palm Beach Gardens Police Department has continued to work tirelessly to obtain answers and identify any suspect(s) involved in Ryan Rogers’ death. As the investigation has continued, we have been working closely with our Federal and local law enforcement partners to follow up on leads. The investigation is progressing forward.

We are continuing to receive valuable tips from the public, which are assisting in advancing the investigation. We are still looking for witnesses who were in the area of Central Boulevard between PGA Boulevard and Donald Ross Road during the evening of Monday, November 15th, between the hours of 6:30 pm and 9:00 pm. If you were in the area and witnessed something out of the ordinary, we need you to contact us at 561-799-4445.

We have received reports of individuals wearing dark clothing and masks in our community. These reports have been investigated and are not related to the Ryan Rogers homicide. We would strongly encourage our residents not to confront any suspicious persons and promptly report them to 561-799-4445 or 9-1-1. We are continuing our increased patrols in the community. Parents should remain vigilant and take the steps they feel are appropriate with regard to their children’s activities out in public.

Anyone who wishes to contribute to the reward fund is encouraged to contact the Palm Beach County Crime Stoppers at 561-688-3963.
